Pave the Pathways Through The Humboldt Botanical Garden

The Humboldt Botanical Gardens Foundation organized to fulfill the dream of creating a world class botanical garden in Humboldt County. The Garden, currently under construction, is located on a 44.5-acre site at the College of the Redwoods overlooking the Pacific Ocean and Humboldt Bay.

Individual Naming Opportunities are available on Garden Pavers in the Humboldt Botanical Garden where you may remember a loved one, honor an individual or organization, or forever associate your name or business name with the garden. Installation of the first order of Pavers took place in the fall of 2006.

Help us reach our goal of 1000 pavers by ordering now! For each \$100 donation, a 1 or 2-line engraved 8" x 8" x 2" garden paver will be placed in the Humboldt Botanical Garden. For pavers with 3 to 6 lines, add \$10.00 per each additional line. Donors will receive a Douglasiana Iris pin for each paver ordered.
